The Pendleton Buckaroo Booster Club is an organization made up of members (individuals, PHS Alumni and businesses) that support and promote Pendleton High School athletics and co-curricular activities.

The Pendleton Buckaroo Booster Club has donated over \$365,000 to various PHS athletic programs and co-curricular activities over the last 21 years. The organization has contributed to virtually all of the high school athletic programs and many co-curricular activities that take place at PHS. What we are doing *does* make a difference.

The strength and success of the Pendleton Buckaroo Booster Club depends on the support that we receive from individuals, PHS Alumni and the business community. Your membership *will* make a difference!
